

# SS&C ALPS Advisors Announces Share Split of the ALPS Equal Sector Weight ETF (EQL)

**DENVER, CO – March 12, 2025** – SS&C ALPS Advisors announced today that the Board of Trustees of the ALPS ETF Trust has approved a 3-for-1 split of the shares of the ALPS Equal Sector Weight ETF (NYSE Arca: EQL).

The split of EQL will be effective at the market open on April 1, 2025. EQL will continue to trade on the NYSE Arca under the same ticker symbol.

Fund Name	Ticker	CUSIP	Split Ratio	Record Date	Pay Date	Ex-Date
ALPS Equal Sector Weight ETF	EQL	00162Q205	3:1	3/26/2025	3/31/2025	4/1/2025

The split will increase the number of EQL's shares outstanding and will proportionately lower the price of the shares for EQL, without affecting the total value of the shares outstanding, except with respect to the redemption of fractional shares, as discussed below.

As a result of the share split, a shareholder of EQL could potentially hold fractional shares. However, fractional shares cannot trade on NYSE Arca, EQL's primary listing exchange. Post-split fractional shares will be redeemed for cash and sent to the broker of record. This redemption may cause some shareholders to realize a gain or loss, which could be a taxable event for those shareholders. Otherwise, the split will not result in a taxable transaction for shareholders of EQL. Some brokerage charges may apply as a result of the split and are not charges imposed by ALPS Advisors, Inc.
